Dear Parents

Greetings to you!

The focus of Pearson Schools is to develop a deep learning environment for children. Evaluating a child in a continuous and comprehensive manner has become an integral built – in aspect of the total teaching – learning process at Pearson Schools and hence not limited to written examinations and tests only.

The students of grades Nursery, Prep I and Prep II will work on the review sheets during the week starting from 4th September to 7th September, 2018. Student should not prepare for the reviews. Teacher will conduct review as per the student readiness.

This would benefit the teacher and the student immensely and help teacher with time and tools to provide differentiated instruction. We look forward to your continued support in this endeavor.

Regards,

For Pearson School Kompally
