

Dear parents,
Greetings to you!

We are approaching the end of yet another academic cycle very soon. While thanking the Almighty for his divine strength in all that the school was involved in, we also thank you dear parents. We have had an encouraging year that has gone by and all this has been possible with your encouragement, co-operation and support. We are confident and take pride in admitting that there has been a lot of learning that our children have gained in the past one year and we are keen on enabling this learning curve grow in the years to come.

Assessments:

It is now time for us to assess all the learning that the child has done through the year. Though assessments have been an integral part of our learning system and assessing the child frequently as and when a new concept, skill is introduced is an ongoing process at school, we would now like to go ahead with the summative assessment for the year. Accordingly, the dates for the assessment have been scheduled and we share these dates with you only as an informative piece and consider this exercise as a part of our learning support from parents. The portion for the assessments grade wise/subject wise has been shared.

During exam days, children will be in school only in the morning half and leave the campus by 12.30pm. Non-assessment day will be a preparatory holiday. The closing date for the School is 4th April, 2018.

ANNUAL EXAM TIME TABLE FOR GRADES 1 TO 8
