

CERTIFICATE OF SAFETY, STABILTY & SUITABILITY FOR
HABITATION OF THE BUILDING

Based on my personal visits, investigation and records supplied by the builder/land owner, it is hereby certified that Structural designs for the school building in survey nos 149,150 situated at Kompally village, Gandimaisamma Mandal, Medchal-Malkajgiri district, Telangana belonging to Smt.P Udaya Sree w/o Sri. P Seeta Ram Reddy containing Ground+3 upper floors, as per the plans made available by the builder/land owner is designed by me in accordance with relevant IS codes and is safe, stable and suitable for habitation only.

This certificate is invalid, if any subsequent modifications are made to the structure in any manner. Further the certificate is invalid in the case of misrepresentation of data, suppression of records or willful modifications to records by the builders/land owner or their agents.

Hence, the certificate is valid, subject to relaxation from the Government authority.
